ABOUT ME

Luo Lisha is a recent graduate from the Screen Media Program at the Nanyang Academy of Fine Arts. With a passion for the art of filmmaking, Lisha has honed her skills through comprehensive studies in broadcasting during a two-year stint in China.

Notably, Lisha has showcased her versatility by hosting graduation ceremonies for art schools, demonstrating her proficiency in public presentation and communication. Her enthusiasm extends to the realm of photography, where she actively engages in school shoots, blending creativity with technical expertise.

Looking ahead, Lisa wants to enter the film industry, driven by the desire to contribute to the production of compelling films that resonate with diverse audiences. Her commitment to storytelling and cinematic excellence positions her as a promising talent in the world of film, ready to make a meaningful impact in the industry.

WORK HISTORY

Administration

DeRen Marketing | Jul 2022 - Aug-2022

Administrative Assistants are responsible for handling documents, reports, and other files, ensuring they are properly stored, archived, and easily accessible.

Arrange and coordinate meetings, appointments, and other activities. This may involve booking meeting rooms, creating schedules, and communicating with participants.

Editor

OneDash 22 | Aug 2023 - Dec 2023

The editor is responsible for assembling and editing various materials captured during filming, selecting the best clips, and communicating closely with the director and producers to align their creative visions. The editor is tasked with creating a final product that satisfies both the director's vision and the client's expectations. Additionally, the editor is involved in post-production modifications and adjustments to the video until the client is completely satisfied with the finished product.
